My current research project concerns the experience of religious sound in Northern Malawi.

[Area of interest](#)

Media, religion, music, subjectivity, Central Africa, global net

[Biography](#)

Among my recent publications are writings about “Ethnographic Ear” and sound production in Malawian music studios, ethnographic audio-papers and podcasts, a multimedia exposition “Cargo/(im)materiality”.

My current research project concerns the experience of religious sound in Northern Malawi.

Before that, I conducted research among members of Polish social networking websites.
